TAIM has seen solid growth in recent years with its assets under management (AUM) is now at over RM11 billion, representing a growth of over 1000% from the RM1 billion back in 2016.

The new Business Hub in Menara TA One features newly built-up facilities including spacious conference rooms, client meeting spaces and a training room to provide consultants with a conducive platform to meet with clients as well as potential recruits.

“We believe in investing in our people and it is a strategic move to set up this new business hub in the heart of Kuala Lumpur to solidify our position in the market. This new office is the latest move to expand the company’s presence in Malaysia, including opening a new business centre in Ipoh earlier this year. We hope that this office will be the center of excellence for our consultants to grow their business with us and bring TAIM to greater heights,” said Datin Alicia Tiah.

“This new Business Hub is instrumental to the business's growth and success and we look forward to creating greater milestones in the coming years. We remain committed in creating an inclusive and engaging workplace where our talents can thrive further,” said Mr Wong Mien.
