

Fund Objective

The Fund aims to achieve total return over the medium to long-term period by investing in a focused portfolio, mainly equities, that comply with Shariah requirements.

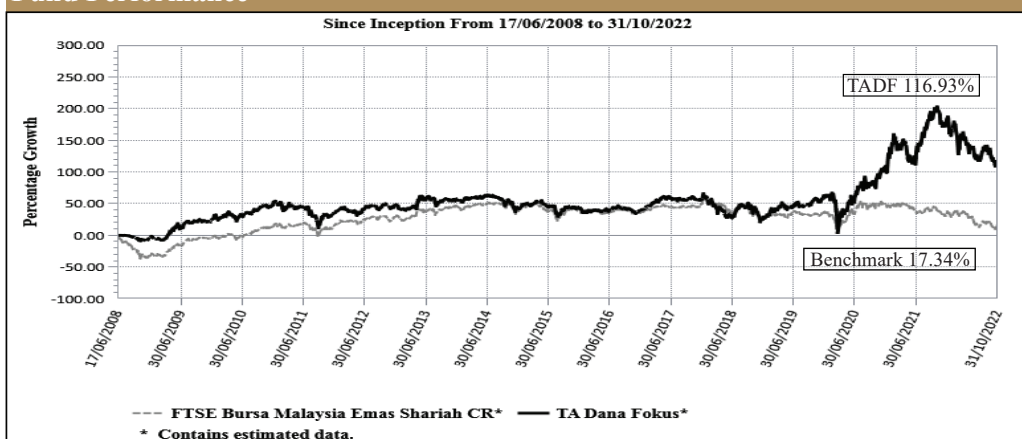

Investors Profile

- Want to invest in a concentrated portfolio of Shariah-compliant securities and other approved instruments that meet the Shariah requirements.
- Require liquidity but are willing to invest for the medium to long term.
- Have experience with the risks and rewards of investments in Shariah-compliant equities.

Investment Strategy

The Fund's strategy is to invest into a focused portfolio of local Shariah-compliant securities available locally that are undervalued but offer good growth potential. Depending on the investment condition, the Shariah-compliant equity exposure will typically range from 70% to 95% of the Fund's NAV with the balance in sukuk and Islamic liquid assets.

Asset & Sector Allocation

Based on the fund's portfolio returns as at October 2022, the Volatility Factor (VF) for this fund is 26.2 and is classified as "Very High" (source: Lipper). "Very High" includes funds with VF that are more than 17.6. The VF means there is a possibility for the fund in generating an upside return or downside return around this VF. The Volatility Class (VC) is assigned by Lipper based on quintile ranks of VF for qualified funds. VF is subject to monthly revision and VC will be revised every six months. The fund's portfolio may have changed since this date and there is no guarantee that the fund will continue to have the same VF or VC in the future. Presently, only funds launched in the market for at least 36 months will display the VF and its VC.

Neither the information nor any opinion expressed constitutes an offer, or an invitation to make an offer to buy or sell any securities or unit trusts. Copies of the Master Prospectus dated 23 November 2021 and the First Supplementary Master Prospectus dated 25 August 2022 have been registered with the Securities Commission Malaysia who takes no responsibility for its contents. These materials have not been reviewed by the Securities Commission Malaysia. Investors are advised to read and understand the contents of the Prospectuses, copies of which are available from our offices, authorised consultants and distributors before investing. Investors should rely on their own evaluation to assess the merits and risks of the investment. If investors are unable to make their own evaluation, they are advised to consult professional advisers where necessary. Product Highlights Sheet ("PHS") is available and that Investors have the right to request for a PHS; and the PHS and any other product disclosure document should be read and understood before making any investment decision. The price of units and distributions payable, if any, may go down as well as up. Investors should also compare and consider the fees, charges and costs involved and the risks when investing in the Fund such as market risk, currency risk and country risk before investing. Where past performance is quoted, past performance of the Fund is no indication of its future performance. Units are issued upon receipt of a duly completed application form referred to in and accompanying the Prospectus. Investors are advised that following the issue of additional distribution, the NAV per unit will be reduced from cum-distribution NAV to ex-distribution NAV. Investors are also advised that, where a unit split is declared, the value of their investment in Malaysian ringgit will remain unchanged after the distribution of the additional units.
