Neither the information nor any opinion expressed constitutes an offer, or an invitation to make an offer to buy or sell any securities or unit trusts. A copy of the Master Information Memorandum of TA Multi Asset Income Fund dated 1 July 2026 including its supplementaries (if any) (collectively known as "Master Information Memorandum") has been lodged with the Securities Commission Malaysia who takes no responsibility for its contents. This material has not been reviewed by the Securities Commission Malaysia. Sophisticated Investors are advised to read and understand the contents of the Master Information Memorandum, copy of which is available from our offices, authorised consultants and distributors before investing. Sophisticated Investors should rely on their own evaluation to assess the merits and risks of the investment. If Sophisticated Investors are unable to make their own evaluation, they are advised to consult professional advisers where necessary. Product Highlights Sheet ("PHS") is available and that Sophisticated Investors have the right to request for a PHS; and the PHS and any other product disclosure document should be read and understood before making any investment decision. The price of units and distributions payable, if any, may go down as well as up. Sophisticated Investors should also compare and consider the fees, charges and costs involved and the risks when investing in the Fund such as market risk, currency risk and country risk before investing. Where past performance is quoted, past performance of the Fund is no indication of its future performance. Units are issued upon receipt of a duly completed application form referred to in and accompanying the Master Information Memorandum. In general, where unit split/distribution declared, Sophisticated Investors are advised that following issue of additional units/distribution, the NAV per unit will be reduced from pre unit split NAV/cum-distribution to post unit split NAV/ex-distribution NAV. Sophisticated Investors are also advised that, where a unit split is declared, the value of their investment in Fund/Class currency will remain unchanged after the distribution of the additional units.
