

Derivatives	Listed or quoted derivatives will be valued based on the official closing price or last known transacted price on the Eligible Market on which the derivatives are quoted. However, if the price is not representative or not available to the market, including a suspension in the quotation of the derivatives for a period exceeding fourteen (14) days, or such shorter period as agreed by the Trustee, the derivatives shall be valued at fair value. If it is not listed or quoted on an exchange, the derivatives will be valued based on fair value as determined in good faith by us on methods or bases which will have to be approved by the Trustee.
Deposits	Deposits placed with financial institutions will be valued each day by reference to the principal value of such investments and interest accrued thereon, if any, for the relevant period.
Foreign exchange conversion	Foreign exchange conversion of foreign investments for a particular Business Day is determined based on the bid foreign exchange rate quoted by Bloomberg or LSEG at 4.00 p.m. United Kingdom time which is equivalent to 11.00 p.m. or 12.00 midnight (Malaysia time) on the same day, or such other time as prescribed from time to time by FIMM or any relevant laws.
Any other instruments	Fair value as determined in good faith by us, on methods or bases which will have to be approved by the Trustee.

18. The valuation of the Fund will be changed to the following:

The Fund will be valued on a daily basis, which is on the Valuation Day.

If the Target Fund is closed for business or the valuation of the units or shares of the Target Fund is not available during the valuation point, the Manager will value the investment based on the latest available price as at the day the Target Fund was last opened for business or transacted.

Price of the Fund will be published on the next Business Day (T+1 day) and the Unit Holders may obtain the latest price of the Fund from our website at www.tainvest.com.my or FIMM's website.
