

Withdrawal

Data subjects may also withdraw their consent granted to us earlier in processing their personal data or stop processing their personal data for direct marketing purpose. Reasonable written withdrawal notice shall be given to us and email to the appropriate email address as provided above. The appropriate TA personnel shall inform the requester of the result/consequence if such request is formalised.

Upon withdrawal, we shall cease to process the personal data of the requester.

Response Time

We shall respond to all written requests within a reasonable time frame in accordance with relevant requirements of PDPA.

By providing to us with your personal data, you hereby consent to the processing of your personal data in accordance with all of the foregoing. Should there be any changes to any of your personal data, you shall notify us immediately.

9. Websites

a) Cookies

Our website uses cookies to monitor browsing preferences and help user analyse data about webpage traffic in order to make website improvements and for statistical analysis purposes. A cookie does not give us access to user computer or any information about user, other than the data user choose to share with us.

Most internet browsers allow user to turn off cookies. Should user do so, the user may not be able to experience all the features of our website.

b) IP Addresses

When user visit our website, our server may record his/her IP address together with the date, time and duration of the visit. We may use this information to compile statistical data on the use of this website to track how users navigate through the website. We may do this to evaluate and improve our site to have better products and services for our customers.

c) Third Party Websites

Our website may contain links to third party sites whose data protection and privacy practices may differ from ours. We are not responsible for the content and privacy practices of these other websites and encourage user to consult the privacy notices of those sites.

TA Group is not responsible for any information that is submitted to or collected by these third parties.

Transmission of information via the internet is not completely secure and therefore, we cannot guarantee the security of personal data transmitted on our websites.
